“outstanding performance and achievement.”

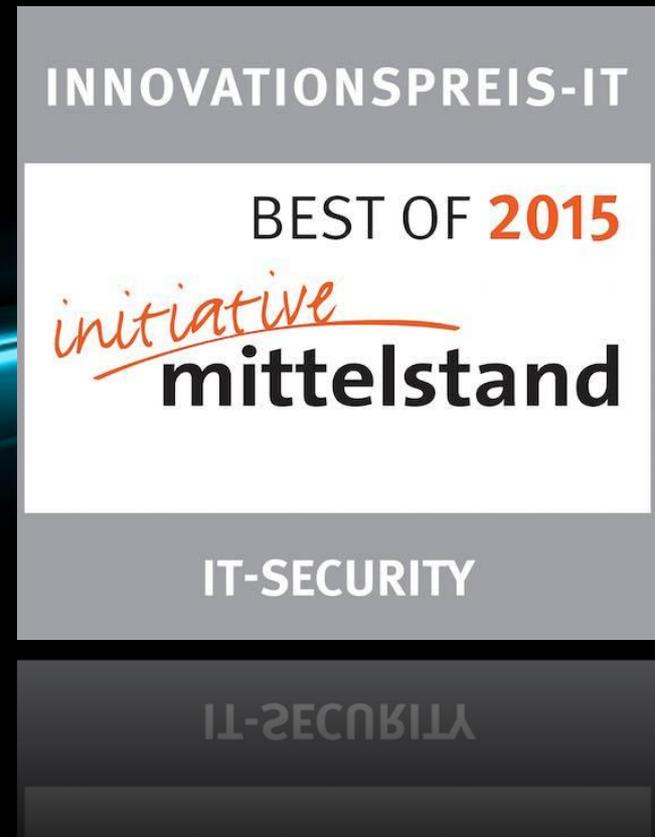

CTR USA

Most Valuable Product Awards 2015

“Organizations face nonstop attacks and social engineering techniques designed to deceive end users on a daily basis. This reality necessitates an equally aggressive approach when it comes to defensive security measures. Anything less than a professionally monitored, real-time push updated, fully managed cyber security solution will fall short of what's needed.
Network Box 5 is Next Generation Managed Security.”

INNOVATIONSPREIS-IT Germany Best of 2015

Network Box won **INNOVATIONSPREIS-IT 2015**,
of the 'initiative mittelstand' in Germany,
in the IT Security category.

Silicon Valley Communications Triple Gold and Grand Award Winner 2015

Network Box won **three Gold** and a **Grand Award**
in this year's Silicon Valley Communication's
Info Security Global Excellence Awards.
